Dear Fundraiser:

It's time to start planning your 2018 Spring Flower Fundraiser at Varner's. The following is a sampling of the flowers we will offer in 2018 and a break-down of the cost to you:

Bedding plant flats (32-48 plants) (no mixing of varieties or color unless planted as mixed; no partial flats)	\$7.75
Hanging baskets (10")	\$8.70 - \$9.00
Zonal geraniums (4 ½" pot)	\$2.30
<i>Other items are available (see enclosed list). Check with us for voucher sales redeemable directly at Varner's.</i>	

These prices are applicable with a valid tax ID only. A more detailed listing of the plant varieties and colors we offer is in the enclosed order form. We leave it up to you to determine which products you sell and how much money you make off of them. **At the end of the selling phase of your fundraising program, please tally the total orders you have received in each category on the enclosed order form and send us the completed order form** by facsimile to (269) 684-4924 or by email to pjohnson@varnersgreenhouse.com. **Please use our order form. Complicated spreadsheets are not helpful and often times result in mistakes.** We will deliver your entire order to one location designated by you. There will also be a delivery charge depending on the distance traveled. To be considered a fundraiser you need a minimum of \$500.00 in sales, otherwise you will be asked to come in and pick out your own order.

We request that you limit your sale of flats to a few (5-6) varieties and the basic colors for each variety. There will be no guarantee as to the shade of color (i.e., pink is pink, not light pink or dark pink) and, for Fuchsia Hanging Baskets, we will provide you with the best plant available, but we cannot guarantee a certain color.

We will do our best to supply what you order, but please remember that plants are living items and may not perform up to our standards in time to fill your order. Also, supply and demand can vary from time to time and we may need to substitute items at the time we complete your order.

Please call us today to reserve a delivery date. It is very important that you quickly reserve a date with us for delivery, as the most sought-after dates book quickly. There are no deliveries on Mother's Day weekend, May 12 & 13. For additional information about Varner's, check out our website at www.varnersgreenhouse.com.

Kindest regards,

Mary Varner

Voucher Program Information

Dear Fundraiser:

This is a brief overview of the voucher program we offer for your fundraising needs. We sell you flats, hanging baskets, potted plants and other selections at our low fundraising prices. You make your own vouchers that you give to your sales team to sell. Your customers then come to Varner's and pick out the items they have purchased from your team. The voucher program makes it easy on you because you do not need to handle (or deliver) the plants. Customers like it because they are able to come in to Varner's and pick out the plants they want.

You decide what profit you want to make and pricing on your end is left up to you. **We just ask that you let your customers know that plants at Varner's will be cheaper than what they paid you and that the difference is their donation to your organization.**

On each voucher please include the name of your organization, the item being purchased and the start date for redeeming the vouchers. **All fundraiser vouchers expire on May 31st, which means all plants must be picked up from Varner's by May 31st as well.** Please color code your vouchers according to the item listed on the voucher and make the vouchers about the size of a dollar bill. Please include one selection only on each and number your vouchers.

We wish you success with your fundraiser. Please call us on (269) 684-3530 ext. 4 if you have any questions or would like more information.

Kind regards,

Mary Varner
